

EARLS COURT

LIFESTYLE ESTATE

EVACUATION PLAN

Herewith please find a few points to note in case of an emergency where the estate needs to be evacuated. A map indicating the zones and the evacuation points is shown below:

- Homeowners must move to the nearest assembly point on the estate at the time when advised by the Security and Emergency Response Team to do so.
- A Roll call will be taken at all assembly points will be taken and the list is to be divided into Residents, Visitors, Contractors, and staff. (These figures will be audited against the movement of people in and out of the Estate for the day).
- The HOA will follow their procedures.

See assembly points below:

Red circle = Evacuation Points

Green circle = Staging Points
